PROFIT GUIDANCE FOR THE THIRD QUARTER RESULTS ENDED 30 SEPTEMBER 2009

The Board of Directors (the "Board") of Fuxing China Group Limited ("Fuxing China" or the "Group"), wishes to announce that the Group expects to register a significantly lower net profit for the third quarter ended 30 September 2009 ("3QFY2009") compared to the previous corresponding period.

Demand for zipper and zipper products remains weak as disclosed in the Group's last results announcement on 11 August 2009. Coupled with intense competition which had eroded the average selling price of the Group's products, these factors have contributed a decrease in revenue of the Group's Zipper Segment.

Further details of the Group's results will be disclosed when the Group releases its 3QFY2009 results on or before 11 November 2009.
