Unless otherwise defined, all capitalised terms used herein shall have the same meaning ascribed thereto in the Announcements and the Circular.

2. UPDATE ON THE PROPOSED NASDAQ LISTING

- 2.1. The Board wishes to update Shareholders that the Company will cease to pursue the completion of the Proposed NASDAQ Listing as well as the ADS Offering (collectively, the “**Proposed Transaction**”) and, to this end, has requested the immediate withdrawal of its Registration Statement initially filed with the SEC on 2 April 2024, together with all exhibits, and amendments thereto. The Company’s SEC submission in this regard can be found here:

- 2.2. The Company has decided to abort the Proposed Transaction for the following reasons:

- (a) the prolonged delay experienced by the Company in obtaining the requisite approval from the CSRC for the ADS Offering and there being no certainty of such approval being granted;
- (b) NASDAQ’s recent proposed amendments to the NASDAQ Rules, which introduce stricter listing requirements and additional listing requirements for companies whose business is principally administered in the PRC; and
- (c) the additional financial and administrative resources which have been continuously expended by the Company in complying with all relevant U.S. securities laws, listing rules and regulations relating to public disclosures, concurrently and in coordination with those of the SGX-ST.

- 2.3. As at the date of this announcement, the Underlying Shares which have been transferred back to the Company and held as treasury shares have been cancelled.

- 2.4. As disclosed previously in the Circular and the Announcement dated 8 July 2022, all costs and expenses incurred by the Company in connection with the Proposed Transaction have been borne by the Company's Executive Chairman, Mr. Hong Qing Liang, and will only be repayable upon the successful completion of the Proposed Transaction.
