**PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2025**

---

The Board of Directors (the “**Board**”) of Fuxing China Group Limited (“the **Company**” or together with its subsidiaries, the “**Group**”), after a preliminary assessment of the Group’s financial results for the half year ended 30 June 2025 (“**1H2025**”), deems it appropriate to issue guidance that the Group is expected to report a loss after tax for 1H2025 compared to the profit during the same period last year.

The expected loss was mainly attributable to net provision for allowance for trade receivables for 1H2025 as compared to the reversal of allowance for trade receivables and allowance for advances to suppliers for the same period last year.

The Group is still in the process of finalising its unaudited financial statements for 1H2025 and further details of the Group’s performance will be disclosed in the 1H2025 financial results announcement to be released on or before 14 August 2025.

Shareholders and potential investors are reminded to exercise caution when dealing or trading in the securities of the Company and should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers if they are in doubt about the actions that they should take.
